

## **ALL. 1 REGULATION OF THE TRULLO**

1. The check-in is done from ... .. to the hours ..... .. of the day of arrival; check out from ..... at ..... of the last day of stay.
2. It is a condition for the delivery of the Trullo and the entire structure, as well as the execution of the tourist lease contract which, at check-in, includes all the guests of the house already indicated at the time of booking and indicated on the contract. of valid identity documents (minors included), to be correctly registered. Persons other than those above will not be admitted unless this has been previously agreed with the ownership of Trullo, which reserves the right to apply a surcharge.
3. It is forbidden to dump cigarette butts, kitchen paper, wet wipes, contraceptive precautions, absorbents and nappies, make-up remover pads, cotton swabs, used oils and cooking scraps, as well as any other object / liquid incompatible with the correct operation. of the exhausts.
4. In case of wind, the umbrellas must be closed in order to avoid breaking them.
5. Possible lacks, damages or problems of the Trullo and / or its appurtenances / plants / structures / furniture / accessories or to the objects present in the same must be reported by the tenant at the check out time and, due to Trullo guests, will be charged to the Tenant . In any case, within 3 days of the return of the Trullo, the owner or his delegate will check the same and communicate to the driver the presence of problems, damages, failings etc., quantifying as soon as possible the amount of compensation that will be required to correspond for the same. The Driver hereby authorizes without reserve the Owner to deduct this amount in the first place from the security deposit and, where it is not sufficient, undertakes to pay the remainder in the manner that will be indicated for that purpose by the property.
6. The reduction of the amount due for the stay is excluded if some objects / appliances inside the Trullo are temporarily not functioning for assistance during the period of stay. In any case, a contact person for Trullo's property will always be available for any problem.
7. Guests are required to allow access to the Structure by the persons in charge of the property for the control of the pool and/or extraordinary maintenance to the structure itself, which will be agreed in advance in order to cause the least possible inconvenience.
8. It is possible to request extra services for a fee (for example additional cleaning, chefs at home, etc ...) with costs that will be quantified and budgeted on request.

## **SWIMMING POOL REGULATION**

- It is strictly forbidden to bring animals into the swimming pool.
- It is strictly forbidden to introduce objects or substances into the pool that could damage it (even with reference to discharges and filters).
- It is strictly forbidden to enter the pool without having first rinsed the feet of any soil / grass residues.
